Students are encouraged to take lessons and practice year 'round to prevent losses of knowledge and technique learned during the year. If you will be summering somewhere else, please take your instruments! We understand the need to be flexible during the summer to allow for travel, camps, etc. You can enroll for 8, 6, 4 or even 2 lessons this summer. (Beginner Suzuki and all classes are 8 weeks only.)

If you have ideas for classes and summer activities, please tell us and we will see what we can do. We are planning something a little different for the end of summer recital.

20% DISCOUNT APPLIES TO STUDY OF CELLO

Early Registration Discount does not apply to electives, classes, adult lessons, cello or summer term rates.
